Relie les points de 54 à 86... et découvre où a atterri la pomme...

The puzzle consists of points numbered from 36 to 96. The points are arranged to form the outline of an apple and a jagged path leading to it. The path starts at point 54 and ends at point 86, which is the top of the apple. The apple is colored yellow, orange, and red, with a green leaf and a brown stem.
