

# Hasta Luego (Hugues Aufray)

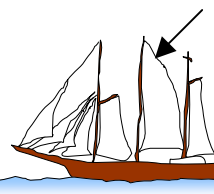

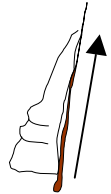

Hasta luego! À bientôt, si Dieu le veut

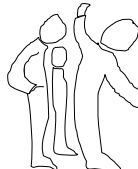

Hasta luego! On se reverra sous peu

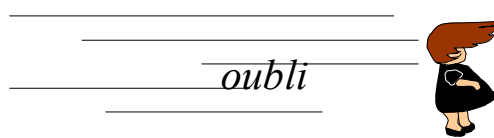

On a trois mois de réserves au fond des cales

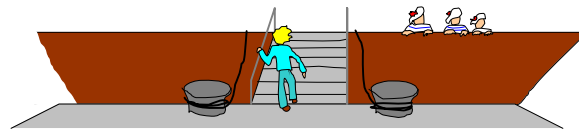

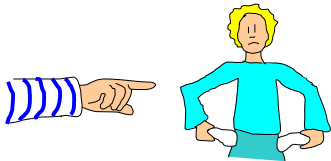

Allez, les gars! On va hisser la grand' voile

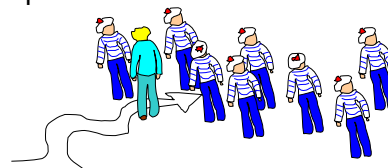

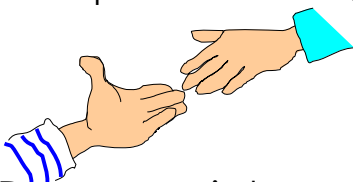

Laissez - passer les enfants de la nuit

Ils vont chercher le grand vent de l'oubli

Toi qui n' as rien, embarque - toi avec nous

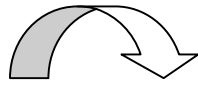

Donne - moi la main. T' as qu' à passer parmi nous

## Hasta Luego (Hugues Aufray)

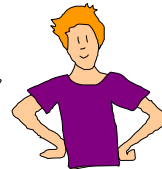

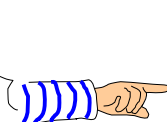

Hasta luego! À bientôt, si Dieu le veut

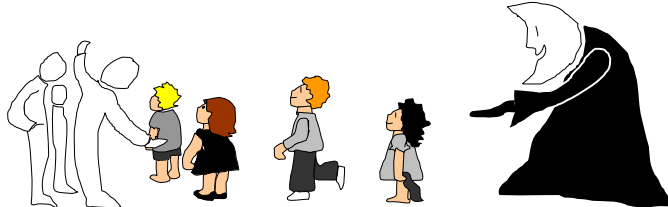

Hasta luego! On se reverra sous peu

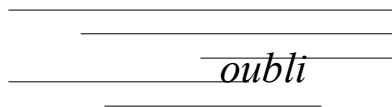

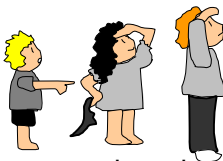

Toi qui as peur, cache - toi derrière mon bras

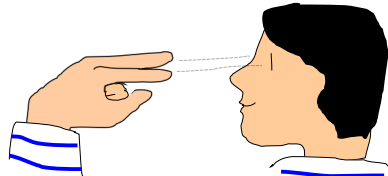

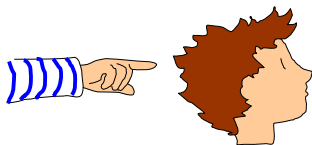

Car voici l'heure; on va être fier de toi

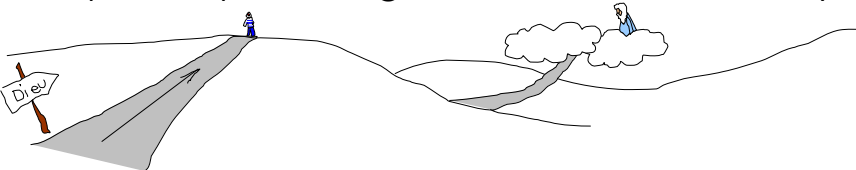

Laissez - passer les enfants de la nuit

Ils vont chercher le grand vent de l'oubli

Toi qui le peux, regarde - moi dans les yeux

Suis ma route: elle te mènera vers Dieu.
