A stylized illustration of a paintbrush with a brown handle and a white bristle head. The brush is shown in the process of painting the word 'poussière' in a lowercase, sans-serif font. The letters 'p', 'o', 'u', 'i', 'r', and 'e' are white with black outlines. The letters 's', 's', and 'e' are filled with a black and white checkerboard pattern. The brush is positioned over the final 'e', with a single stroke of brown paint visible on the handle, suggesting the act of painting.
