

airroser

The image shows the word "airroser" in a large, hollow, black-outlined font. The letter 'r' is uniquely designed as a green pitcher with a spout. A hand is shown pouring water from the pitcher into the 'r'. Three blue water droplets are falling from the spout, and a small puddle of water is on the surface below. The other letters 'a', 'i', 'o', 's', 'e', and 'r' are simple hollow outlines.
