

q p r o c h e r

The image illustrates the process of capitalizing the letter 'p'. On the left, a lowercase 'p' is shown in a vibrant green color with a simple, happy face drawn inside its bowl. Three black arrows point from this lowercase 'p' towards a larger, uppercase 'P' on the right. This uppercase 'P' is also green and has a similar happy face. To the right of the uppercase 'P', the word 'rocker' is written in a simple, black-outlined font. The letters 'r', 'o', 'c', 'h', 'e', and 'r' are all in the same outline style as the word 'rocker'.
